RELEASE AND DOCUMENTATION FROM PREVIOUS DOT EMPLOYER

Federal Department of Transportation (DOT) regulations (49 CFR §40.25) require that a check be made of all potential covered service employees previously employed by DOT regulated employers to determine if there are any positive test results for drugs or alcohol or other violations of DOT agency drug and alcohol testing regulations and if DOT return to duty requirements were completed. Failure to provide this written consent will prevent you from performing safety-sensitive functions and may eliminate you as an applicant.
